15th February, 2017

Dear Parents/Carers,

RE: SAFE PEOPLE, SAFE PLACES

I would like to inform you of a potential student safety matter that occurred yesterday when a black vehicle pulled up outside West Kempsey Public School and the driver tried to lure a student into the car.

With this in mind, please know that the safety of our students is paramount. Please continue to communicate with your child in regards to Safe People, Safe Places.

The following precautionary measures have been adopted:

• In the interests of safety, additional staff have been rostered onto the oval for supervision and school gates will not be opened until 10 minutes prior to the close of the school day.

• Staff have been addressed and students have been appropriately reminded of some important messages regarding Safe People, Safe Places.

• The police have been contacted in regards to this incident.

As a school community we encourage families to discuss these matters with your children.

If you see anything you believe is suspicious please report it to the Police on 000 in an emergency or contact the Kempsey Police on 02 65 61 6199.

Thanks for your ongoing support,

Melissa Turner
Principal
